Controlling Player Avatars in Game Worlds using Multi-Modal Input Systems

by

Charlie Lloyd-Buckingham

DISSERTATION DECLARATION

This Dissertation/Project Report is submitted in partial fulfilment of the requirements for an honours degree at Bournemouth University. I declare that this Dissertation/Project Report is my own work and that it does not contravene any academic offence as specified in the University's regulations.

Retention

I agree that, should the University wish to retain it for reference purposes, a copy of my Dissertation/Project Report may be held by Bournemouth University normally for a period of 3 academic years. I understand that my Dissertation/Project Report may be destroyed once the retention period has expired. I am also aware that the University does not guarantee to retain this Dissertation/Project Report for any length of time (if at all) and that I have been advised to retain a copy for my future reference.

Confidentiality

I confirm that this Dissertation/Project Report does not contain information of a commercial or confidential nature or include personal information other than that which would normally be in the public domain unless the relevant permissions have been obtained. In particular, any information which identifies a particular individual's religious or political beliefs, information relating to their health, ethnicity, criminal history or personal life has been anonymised unless permission for its publication has been granted from the person to whom it relates.

Copyright

The copyright for this dissertation remains with me.

Requests for Information

I agree that this Dissertation/Project Report may be made available as the result of a request for information under the Freedom of Information Act.

Permission for use of produced work

We ask you to sign this form because Bournemouth University Higher Education Corporation (BU) may wish to use your Individual Project material (in its original or an amended form) for marketing purposes in one or more of the following ways:

- prospectuses and other BU promotional materials, including promotional videos
- as part of an advert or advertisement feature (which includes possible use on outdoor media such as buses and billboards)
- on the BU websites or intranet
- at open days
- in social media

If we used it, you would receive exposure for your work. You do not have to agree, and not doing so will have no effect on marking your Individual Project material. For ease this is simply called Material below.

If you are kind enough to agree to BU having rights of use and editing, this will not affect your ownership rights in the Material or your right to use it for your own professional or personal reasons. Unless it is impractical to do so – for example a montage on social media where space limits may apply, BU will ensure that it credits you for BU's use of the Material.

By signing this form:

- I grant a non-exclusive, world-wide, royalty-free licence to BU to use and sub-licence the Material, for marketing purposes; and I waive any non-property rights (including moral rights) now or in the future existing. This licence includes the right to edit and create derivative works from the Material, for example, a multi-student showreel.
- I agree this licence shall subsist permanently unless I seek to end it in line with the procedure below; but that where BU has already used, or is committed to using, the Material for a particular marketing campaign - for example, in a prospectus already printed, any ending of the licence shall relate only to new uses of the Material.
- **I understand BU will not ask me for any further approval or permission for specific uses of the Material for marketing purposes; but that I can withdraw my permission at any time, with the consequences for continued use set out above.**

If you wish to withdraw your permission for use of your information, please contact the Programme Support Officer by e-mail scitechcreativepso@bournemouth.ac.uk. Otherwise, we will keep your Material and associated personal information for as long as we have any plan to, or actively, use the Material for marketing purposes.

The legal basis for BU processing your personal information is consent, that is by signing this form you are giving permission to use your personal information provided

in, and in relation to, the Material for the purposes set out above.

In processing your personal data, BU complies with the Data Protection Act 2018 and General Data Protection Regulation (Regulation (EU) 2016/679). You can find further information about BU's data protection and privacy approach here: <https://www.bournemouth.ac.uk/about/governance/access-information/data-protection-privacy>.

Further information about your rights under the data protection legislation can be found from our Data Protection Officer on dpo@bournemouth.ac.uk.

I give permission for BU to use my Material on the basis set out above:
